Annotation:

- All storage charge will be paid at a full daily rate for any period less than one day will count as one day.
- All storage charge will be paid on actual gross weight, or volume weight, whichever is higher. The fraction of a kilogram will be charged as a kilogram and fraction of a dollar round off to a dollar.
- Where the import shipment from a flight enters warehouse in several batches, the arrival of the first batch will be reckoned as the start of storage period of the whole goods.
- Storage period of shipment in one air waybill shall be counted from the time the first piece of goods entering warehouse. For shipment entering in several batches, the actual time of each batch will be used. But export goods entering is several batches in same day, the storage will be reckoned by master air waybill.
- When the shipment in one air waybill contains general and special goods, storage charge will be assessed by general and special goods rates according to the actual weight of each respectively.
- If part of carrier's company goods contain special goods, the part of goods shall be charged special goods rate.
- Natural calamity or force majeure, which stops the process of accepting export shipment or delivering import shipment, the charges in the first 3 days in item I. A. 1 and I. B. 1. will be postponed.
- Saturdays and National Holidays won't be counted in the first 3 days in item I.A.1, first 2 days in item I.B.1. The cargo on the above date entering the warehouse shall be charged as original rates.
